It is already my SDO which Shaun scheduled the WG meeting over and there is a NASEM meeting on NAAQS causality I have to go to also.

Maybe right after WG meeting for a few minutes.

So no announcement for you though?

Hey, how is it going?

Can we touch base about surfactants?

And why are you not listed on B&C website? They announced Amy Babcock but not you??

I didn't realize Charlie Auer works there. Old buddy. Tell him hello. And also Oscar.
